Justin Lopez

New Youth Director:

Justin Lopez is our new youth director. Many of you know him and his wife, Sarah, as they have been long-time volunteer youth leaders.

Justin studied Christian leadership at William Jessup University. Justin loves running, great food, playing the guitar, listening to music, and hiking. You can reach him by email jlo@mhpc.org or call at the church office: 408.779.2820

Sunday mornings at MHPC:

Faith grows out of experiencing God. Worship is our response to the God we experience and know. We have two options for middle schoolers. There is a Sunday school group at 9:00 am that meets in the youth room and then one at 10:50 which starts in the sanctuary and is then dismissed to their small group time. Both are great opportunities to meet new people and explore the Bible.
